Others Present: Barry A. Burton, County Administrator; Jewel White, County Attorney; Claretha N. Harris, Chief Deputy Clerk; and Chris Bartlett, Board Reporter, Deputy Clerk.

INVOCATION by Reverend Bob Scott, Peace Memorial Presbyterian Church, Clearwater.

PLEDGE OF ALLEGIANCE

PRESENTATIONS AND AWARDS

1. Martin Luther King, Jr. Day Proclamation:
   - Thelma Bruce, President, St. Petersburg Metropolitan Section of the National Council of Negro Women, Inc.

   Chair Seel invited Ms. Bruce and her executive team, Angela Holmes Rouson, Ethel Robinson, Valerie Williams, Timeka Walker, Apostle Clarice Pennington, Cynthia Glenn, Beverly Campbell, and Sandra Gibson to the podium for recognition; whereupon, she presented the group with a plaque and read a proclamation recognizing January 21, 2019 as Dr. Martin Luther King Jr. Day, and Commissioner Welch provided input.

2. National Mentoring Month Proclamation:
   - Dr. Valerie Brimm, Director, Office of Strategic Partnerships, Pinellas County Schools
   - Keosha Simmons, Lunch Pals Coordinator, Pinellas County Schools

   Chair Seel noted that as part of the Board’s Strategic Plan, the Commission and County Administrator grant 90 minutes of paid administrative leave each week to employees who wish to serve as mentors to children in the community; and that the County’s partnership with the Pinellas County school system has resulted in more than 1,300 volunteer hours from County employees since 2016. She presented Dr. Brimm with a proclamation recognizing the month of January 2019 as National Mentoring Month, and Dr. Brimm thanked the County for its partnership.

3. Doing Things! Employee Recognition Award:
   - Ervin Hillary, Compliance Inspector, Solid Waste

   Chair Seel and Mr. Burton recognized Solid Waste Compliance Inspector Ervin Hillary as a five-year employee who works daily to ensure the safety of County employees and residents, and for serving his community as a mentor through Pinellas County Schools’ Take Stock in Children program; whereupon, a video was shown highlighting the services he provides.
4. Partner Presentation:
- Dr. Valerie Brimm, Director, Office of Strategic Partnerships, Pinellas County Schools

Special Assistant to the County Administrator Canaan McCaslin conducted a PowerPoint presentation titled *Doing Things! Pinellas County Mentoring Initiatives January 2019* and provided an update on the County’s mentoring programs. He noted that the program has been in place for three years; and that its focus is on traditional weekly or monthly mentoring along with other one-day opportunities; whereupon, he discussed the participation of County staff in the various programs.

Dr. Brimm conducted a PowerPoint presentation titled *PCS Mentoring Programs 2018-2019* and highlighted Take Stock in Children, Lunch Pals, 5000 RM/Girlfriends, Big Brothers Big Sisters, Peer to Peer, and other general mentoring programs. She indicated that the programs collectively serve students of all ages, discussed how each program works, and provided registration information for anyone who is interested in volunteering; whereupon, she thanked the Board for continuing to support the government partnership for the programs.

In response to queries by the members, Dr. Brimm related that virtual mentoring requires volunteers to participate in weekly virtual sessions and four face-to-face sessions, scheduled throughout the school year, and introduced Keosha Simmons as the new Director of the Lunch Pals program. She indicated that most volunteers’ backgrounds are screened free of charge; that any volunteer who is expected to be with students absent a school official would require a higher-level screening; and that the cost to the volunteer for higher-level screening is $45.

5. Partner Presentation:
- Barbara St.Clair, Executive Director, Creative Pinellas, Inc.

Ms. St. Clair conducted a PowerPoint presentation titled *Traveling Public Art Project* and thanked the members of the Board for their continued support of the arts. She provided background information on the project and noted that SPACEcraft, a proposal from local artists Carrie Boucher, Bridget Elmer, and Mitzi Gordon, was ultimately chosen from a pool of 40 qualifying applications for the project; whereupon, Public Art Project Coordinator Jessica McCormick discussed the overall selection process, with input by Ms. St. Clair.

Ms. Boucher introduced SPACEcraft, stating that it will travel to 8 to 12 locations throughout the county over the course of two years; that it will offer art workshops, music, film, poetry readings, horticultural classes, and many other experiences; and that it will tie in to the local community and artists. She noted that there will be a magnetic poetry wall, a mural, and a wall built out of Legos, among other things, for hands-on interactions; and that the team is working to finalize locations and design, with a target date of April or May 2019.

Responding to queries by Commissioner Welch, Ms. Boucher discussed what a typical day would provide in terms of programming and scheduling, stating that the plan consists of various three-hour sessions that include 25 participants; and that each SPACEcraft container would stay in a community for approximately two months.
In response to queries by other members, Ms. Boucher related that each community will have input as to the programming offered at their location; that there is room in the budget to replace any items that may break or disappear; and that specific programming for preschool and elementary school children can be included; whereupon, she discussed plans for how to promote the installation within each community, and the logistics of moving the containers between locations.

Later in the meeting in response to query by Commissioner Long, Chair Seel stated that the project would be funded from BP Oil Spill Settlement money.

Aye: 6 - Chair Seel, Vice-Chair Gerard, Commissioner Eggers, Commissioner Justice, Commissioner Long, and Commissioner Welch

Absent: 1 - Commissioner Peters

Public Works

19. Interlocal Agreement with the Tampa-Hillsborough County Expressway Authority to identify future transportation solutions.

Mr. Burton introduced the item and noted that the agreement would set the parameters needed to promote cooperation to explore transportation alternatives.

Commissioner Long stated that the proposed agreement has the potential to dilute the County’s messaging to its federal partners, which has been more successful recently than it has been in the past. Responding to her comments and queries, Assistant County Administrator Rahim Harji indicated that the agreement allows for a sketch-level analysis of ideas and not specific planning actions; that there are no costs to the County for the analysis; and that any ideas would need to be further explored by staff to merit possible inclusion in the County’s transportation plans.

Tampa-Hillsborough Expressway Authority (THEA) Executive Director and CEO Joseph Waggoner provided an introduction and stated that the interlocal agreement would allow THEA to work at the direction of County staff; that the goal is to provide many alternate solutions for each potential corridor it reviews; and that no commitments or obligations will be made as part of the process.

In response to queries by Commissioner Welch, Mr. Waggoner stated that THEA’s business is to build user-fee managed facilities; that toll lanes and price-managed lanes are designed to move vehicles and people in a reliable manner; and that price-managed lanes
are as much about maintaining a certain service level as they are about raising funds to help build facilities. He noted that legislation allows THEA to work with adjacent counties through interlocal agreements; and that Pinellas County would be its first partner outside of Hillsborough County.

Commissioner Welch indicated that he shares the concerns of Commissioner Long. Responding to his queries, Mr. Harji stated that Forward Pinellas would be at the table in order to provide its recommendations; and that if a recommendation is approved, it would be rolled into the County’s overall transportation plan and tie in to any long-range planning, going through the same process as similar transportation projects.

In response to comments by Chair Seel, Mr. Harji indicated that County staff would be responsible for public engagement and shareholder feedback, and discussion ensued.

A motion was made by Commissioner Eggers, seconded by Vice-Chair Gerard, that the item be approved. The motion carried by the following vote:

Aye: 5 - Chair Seel, Vice-Chair Gerard, Commissioner Eggers, Commissioner Justice, and Commissioner Welch

Nay: 1 - Commissioner Long

Absent: 1 - Commissioner Peters

20. Amendment No. 3 to the Emergency Grant Funding Agreement with the Florida Department of Environmental Protection for red tide management for and within Pinellas County.

(PID No. 90004G1, FDEP Contract No. AB006) Amendment approved providing for an increase in funding in the amount of $1,199,251.30, for a total revised funding amount of $7,500,000.00, and retaining the reimbursement period expiration date of March 31, 2019. Chair authorized to sign and the Clerk to attest.

A motion was made by Commissioner Welch, seconded by Vice-Chair Gerard, that the item be approved. The motion carried by the following vote:

Aye: 6 - Chair Seel, Vice-Chair Gerard, Commissioner Eggers, Commissioner Justice, Commissioner Long, and Commissioner Welch

Absent: 1 - Commissioner Peters

Real Estate Management

21. First Amendment to the Agreement with S&ME, Inc. for professional environmental and engineering services.

(Contract No. 156-0008-CN) Amendment approved increasing the contract limit from $500,000.00 to $920,000.00 to continue remediation at the former Zero Corporation site, effective through April 8, 2021. Chair authorized to sign and the Clerk to attest.
Responding to queries by the members, Real Estate Management Director Andrew Pupke stated that remediation of the site is ongoing and will likely continue for at least another four years; that when the remediation is complete, the Pinellas County School Board has the right of first refusal regarding the County’s sale of the property; and that a portion of the property is presently licensed to the School Board, which operates Bayside High School on an unaffected area of the parcel. He noted that remediation is needed on three of the parcel’s 13 total acres.

A motion was made by Commissioner Long, seconded by Vice-Chair Gerard, that the item be approved. The motion carried by the following vote:

Aye: 6 - Chair Seel, Vice-Chair Gerard, Commissioner Eggers, Commissioner Justice, Commissioner Long, and Commissioner Welch

Absent: 1 - Commissioner Peters

22. Second Amendment to the Lease Agreement with Mainstream Partners IV, LLC to expand existing warehouse space to support the relocation of the records warehouse storage operations for the State Attorney, Public Defender, Medical Examiner, and Court Administration.

Amendment approved providing for a new rental rate of $10.22 per square foot with an annual 3.5-percent escalation rate for a 60-month term, as set forth in the Staff Report.

A motion was made by Commissioner Long, seconded by Vice-Chair Gerard, that the item be approved. The motion carried by the following vote:

Aye: 6 - Chair Seel, Vice-Chair Gerard, Commissioner Eggers, Commissioner Justice, Commissioner Long, and Commissioner Welch

Absent: 1 - Commissioner Peters

23. Interlocal Agreement with the City of Clearwater and the Pinellas Suncoast Transit Authority for a joint-use facility site study.

Agreement approved for a downtown Clearwater site study as set forth in the Staff Report.

In response to queries by Commissioners Justice and Long, Mr. Burton related that the study would not commit the members to selecting a specific site, and provided information regarding when site selection discussions could potentially occur; whereupon, Real Estate Management Director Andrew Pupke indicated that while exterior maintenance at the Clearwater Courthouse is budgeted in the Capital Improvement Program, window replacement and facade preservation is being deferred until after the joint-use facility site study.

In response to queries by Commissioner Eggers, Messrs. Burton and Pupke discussed matters relating to programming, space planning, square footage, and capacity, and Chair Seel provided input.
A motion was made by Commissioner Long, seconded by Vice-Chair Gerard, that the item be approved. The motion carried by the following vote:

**Aye:** 5 - Chair Seel, Vice-Chair Gerard, Commissioner Eggers, Commissioner Long, and Commissioner Welch

**Nay:** 1 - Commissioner Justice

**Absent:** 1 - Commissioner Peters

Mr. Burton distributed a document titled *2018 Pinellas County Government Accomplishments*, a copy of which has been made a part of the record, and showed a video highlighting staff efforts over the past year.

COUNTY ATTORNEY

25. County Attorney Miscellaneous.

Attorney White discussed a potential conflict of interest that could involve a Board appointee to the Tourist Development Council, and asked for consensus from the members to request an informal opinion on the matter from the Florida Commission on Ethics.

In response to comments and queries by the members, Attorney White provided further information regarding the potential conflict of interest, relating that it would be informative to seek an opinion regarding the matter. Following discussion, Chair Seel noted that there was support among the members for making the request.

COUNTY ADMINISTRATOR REPORTS

26. County Administrator Reports:
