To the extent not superseded by federal, state, or other city law or ordinance, or contrary to rights conferred by contract or separate legal instrument, Registered Domestic Partners shall have the following rights:

(a) Health Care Facility Visitation. All health care facilities operating within the County shall honor the Registered Domestic Partnership documentation issued pursuant to the Pinellas County Code as evidence of the partnership and shall allow a Registered Domestic Partner or dependant visitation rights as provided for under 42 CFR 482 and 485.

(b) Health Care Decisions. Registry as a domestic partner shall be considered to be written direction by each partner designating the other to make health care decisions for their incapacitated partner, and shall authorize each partner to act as the other's healthcare surrogate as provided for in Chapter 765, Florida Statutes. No person designated as a health care surrogate shall be denied or otherwise defeated in serving as a health care surrogate based solely upon their status as the Domestic Partner of the partner on whose behalf health care decisions are to be made. Any statutory form, including, but not limited to, a living will or health care surrogate designation in forms provided for in Chapter 765, Florida Statutes, that is properly executed after the date of registration which contain conflicting designations shall control over the designations made pursuant to domestic partnership registration in Pinellas County.

(c) Funeral/Burial Decisions. Registry as a domestic partner shall be considered to be written direction by the decedent of their intention to have their domestic partner direct the disposition of the decedent's body for funeral and burial purposes as provided in Chapter 497, Florida Statutes, unless, prior to death, the decedent creates written authorization and direction providing conflicting terms of disposition. Where such conflict exists, the later dated document shall control.

(d) Notification of Family Members. In any situation providing for mandatory or permissible notification of family members, including, but not limited to, notification of family members in an emergency, "notification of family members" shall include Registered Domestic Partners.

(e) Pre-need Guardian Designation. A person who is a party to a Registered Domestic Partnership, pursuant to this Article, shall have the same right as any other individual to be designated as a pre-need guardian pursuant to Chapter 744, Florida Statutes, and to serve in such

capacity in the event of their domestic partner's incapacity. A domestic partner shall not be denied or otherwise be defeated in serving as the plenary guardian of their domestic partner or the partner's property under the provisions of Chapter 744, Florida Statutes, to the extent that the incapacitated partner has not executed a valid pre-need guardian designation, based solely upon their status as the domestic partner of the incapacitated partner.

(a) (f) Participation in Education. To the extent allowed by federal and state law, and subject to the policies of the School Board of Pinellas County, Florida, as amended from time to time, as well as any applicable court orders, agreements, or contracts, a domestic partner of a domestic partnership registered in this County shall have the same rights as the parent partner to participate in the education of a dependent of the Registered Domestic Partnership in the County. Any right to participate in the education of a dependent of the Registered Domestic Partnership shall be exercised consistently with applicable policies and procedures of the School Board of Pinellas County, Florida.

If you believe that you are entitled to an exemption as to these records, it is your obligation to request the maintenance of such exemption in writing from the Clerk. A form for this purpose is available from the Clerk upon request or on the Clerk's website. Only that information to which an applicant is clearly entitled to an exemption can be withheld from the public record.

Can I amend my registration if a name or address changes after the initial registration Affidavit is filed?
