TO: Paul Sacco, Director  
Real Estate Management

FROM: Hector Collazo, Jr., Director   
Division of Inspector General

DIST: Brian Landry, Manager of Facility Operations, Real Estate Management  
Ken Burke, CPA, Clerk of the Circuit Court and Comptroller

SUBJECT: Investigative Review – Real Estate Management 49th Street Jail

DATE: April 5, 2013

The Division of Inspector General's Public Integrity Unit received allegations of Fraud, Waste, and Abuse. We investigated the following allegations related to Real Estate Management Facility Operations Detention staff.

The complainant alleged that the Detention staff are abusing duty time and violating employee Personnel Rules by sleeping on the job and failing to perform assigned duties. The complainant did not provide documentation to assist with the investigation.

To determine whether the allegations were substantiated, we reviewed policies, procedures, and any other records deemed appropriate. We also conducted interviews of staff and other parties, as needed. Our investigation was performed according to the *Principles and Standards for Offices of Inspector General* and *The Florida Inspectors General Standards Manual* from The Commission for Florida Law Enforcement Accreditation.

The Division of Inspector General's investigation of the allegations has determined that the allegations noted above were unsubstantiated, as there was insufficient evidence to either prove or disprove the allegations.
