SUBJECT: Unannounced Audit of the Recording Department Imprest Change Funds

DATE: December 10, 2014

As part of our program of providing continuous auditing services, the Division of Inspector General has completed an unannounced audit of the Imprest Change Funds located in the Clerk of the Circuit Court and Comptroller Recording Department. We audited these funds on November 25, 2014.

The primary purpose of unannounced audits is to reconcile the funds to ensure that the appropriate internal controls, safeguards, and policies and procedures are being followed, safeguarding the county funds under your departmental control.

Our audit was conducted in accordance with the *International Standards for the Professional Practice of Internal Auditing* and the *Standards for Offices of Inspector General*, and accordingly, included such tests of records and other auditing procedures as we considered necessary in the circumstances.

Inspectors General

This unannounced audit reconciled to the authorized amounts and all funds were accounted for. The department's internal controls and safeguarding of the Imprest Change Funds are adequate. However, the audit did note a non-compliance issue with the Clerk's Accounting Policies and Procedures Manual regarding vault fund balancing as stated below.

**The Recording Department Failed To Comply With The Clerk's Vault Balancing Procedures.**

The cash in the vault is counted in the presence of one or two of the custodians every morning. Should the cashiers need change, the custodian would count and provide needed funds from the cash drawer. However, according to the Clerk's Vault Fund Balancing policy, cash on hand should be counted twice each day, in the AM and in the PM, not just once per day. The Recording Department is not following the rule at this time as funds are only counted in the morning.

The Vault Fund Balancing policy requires the count of funds twice daily. Failure to comply with the rule exposes the department to potential unauthorized use of cash.

The Clerk's Accounting Policies and Procedures Manual, Section 2.41 Vault Fund Balancing - Change Fund, Jury Funds, Witness Funds, states the following:

*Each morning and evening the vault funds will be balanced using the 'Vault Fund Balance Sheets'*

**We recommend** that management implement and enforce the guidelines established by Rule 2.41 of the Accounting Policies and Procedures Manual for Court and Operational Services Divisions (revised on 9/30/2014). Doing so will minimize the opportunity for misuse of funds and ensure that every dollar is accounted for throughout the course of business

We appreciate your staff's cooperation during this audit.
