This letter serves to inform you that the Division of Inspector General completed its

November 14, 2017.

Our objectives were to:

1. Interview and observe staff conducting the department’s physical inventory to determine
   compliance with required inventory procedures.
2. Test and verify, on a sample basis, the assets recorded by staff.

Our audit was conducted in accordance with the International Standards for the Professional
Practice of Internal Auditing and the Principles and Standards for Offices of Inspector General,
and accordingly, included such tests of records and other auditing procedures as we
considered necessary in the circumstances.

We conclude that the Finance Division’s physical inventory is performed in compliance with
required inventory procedures and our sample tests agreed with those of the Finance Division
staff.

We appreciate your staff’s cooperation during this audit.
